MEETING MINUTES:

No official meeting was held do to the lack of a quorum. Present was 9 club members and 1 visitor.

Informal discussion was held on the Van Wert County Fair activities and the Hot Air Festival. The discussion was centered around the idea of operating the HF radio by remote control over the internet since the operators at these events had lots of noise on the bands. KA8ZGE will look into the software that is required as well as the type of computer that we will need.

Other discussion was the 440 repeater and using a combiner along with the ATV. This would allow us to use one antenna for both systems. Dave will look into the situation and advise.

No further discussion, the group adjourned at 8:31 pm.

Respectfully Submitted
